

## Media Release: September 2020

Clare O'Beara, Dublin author, has recently released a Young Adult book on Amazon Kindle, about a boy in north Dublin during the Covid-19 lockdown.

### **A Dog For Lockdown**

Dermot Greaney turns thirteen on the day schools in Ireland are closed due to the Coronavirus Pandemic. The Dublin boy tries to get on with life, coping with online school, his mother battling a pre-diabetic condition and the community lockdown. When the senior man next door is taken ill, Dermot promptly volunteers to care for his large dog, which might be the best decision he ever made.

In the lively dog Sheila, Dermot finds a friend at last. Someone to be on his side, even when his mum insists on serving him salads and the class hooligans start cyber-bullying him. In return for his care, Sheila teaches him

responsibility – but will he learn in time? Sometimes our own actions cause us trouble. And sometimes we'll find happiness unexpectedly.

This informative, positive thinking story for young people mixes fact with fiction, dog lore, photos and a recipe.

Illustrated with photos by the author.

Second in the *Irish Lockdown* series.

Another atmospheric story of young adults and challenges from the No.1 Bestselling author of *A PONY FOR QUARANTINE*.

Review of *A Pony For Quarantine*:

“a pony book told with all Clare O'Beara's wonderful insight and experience.”

**Jemima Pett**, author of *The Princlings of The East* series, on Goodreads.

Review of *Show Jumping Team*:

"I liked the fact there were people of all ages in this book, and the teens were from different walks of life but worked well together as teams....

I highly recommend this book."

**Carolyn Wilhelm**, author of *Climate Change Captives 2035*, educational publisher at The Wise Owl Factory.

**Clare O'Beara** is a former national standard showjumper on Thoroughbred horses. She is the independently publishing author of eighteen books, including three Young Adult books involving horses and ponies.

Clare is also a tree surgeon, who has served on the Royal Dublin Society's Forestry and the Environment Committee.
